How we know it's a real deal

01 We price 300 routes every week

One departure a week for the next 9 months, on every route from 12 Indian cities.

02 We compare to the normal price

The middle price for that route and season. A fare must be 25% below it, on at least 3 date pairs.

03 We re-check every 6 hours

When the price goes back up, the deal comes down, and we tell you why.
